

How exciting! A portfolio Check in. Here's everything you need to know.

We've organized things below, with a checklist for you to fill out, in a sequence as similar as possible to last quarter's final portfolio.

If you haven't already been maintaining your documents in this way, this is a good chance to begin so that you'll have everything together at the end of the quarter. Yippee.

- This hand out, with appropriate boxes checked and any notes about voids.

Section 1. Notes

- Reading
- Lecture
- Class
