

Matter and Minerals (Fall 2005)

Evaluation conferences will begin on the Tuesday of our evaluation week (week 10 for the rest of the campus)

Where to sign up? – There will be a sign up sheet posted on the doors of the faculty. Look up your “evaluation group” (turn over) and sign up with that faculty member (only one conference per student with one of the 3 faculty)

What to bring to evaluation conferences

If you are leaving the program

- Final versions of faculty evaluations for all three faculty (dated and signed)
- Self evaluation (dated and signed)

If you are not leaving the program

- Faculty evaluations for all three faculty (dated and signed) - unofficial
- Self evaluation (dated and signed) - unofficial

Criteria for awarding credits:

- Must have completed all work (see covenant)
- Be present at the evaluation conference
- Must bring self evaluation to the conference
- Must bring faculty evaluations to the conference
