

Ontologies are Fun

Eduard Hovy

December 2004

Ontologies are fun,
Ontologies are cool,
But when a long day's done,
Doing too much is cruel!

So these next 14 slides
Should go by in a flash.
Then in our speedy rides
Ramada-ward we'll dash

And drop straight into bed.
But ere you fall asleep,
Repeat this in your head,
And as your mantra keep:

Ontologies are fun,
Ontologies are cool,
Before we all are done,
Ontologies will rule!
