

Forest Canopy Research Lab Work-Study Positions Available Academic Year 2006-2007

The Canopy Lab and International Canopy Network (ICAN) exist to facilitate communication among individuals and institutions concerned with research, education, and conservation of organisms and interactions in forest canopies.

OFFICE /RESEARCH ASSISTANTS:

Duties include:

- Assist with ongoing research projects on forest canopy ecology.
- General office tasks such as filing, photocopying, and office organization.
- Maintaining and updating information in a database.
- Entering, proofreading, and archiving field data.
- Researching and documenting scientific literature.
- Entering research citations into a computer database.

We are seeking individuals with strong organizational skills, attention to detail, some experience with computer databases and word-processing (Word, Excel, Access, etc.), the ability to work independently, and an interest in natural science.

Benefits include a flexible schedule, a relaxed and casual work environment, supportive co-workers, and the opportunity to learn more about forest canopy research. The pay is \$8.50 per hour, 10-19 hours per week.

TO APPLY: Please contact **Anne Fiala** (fialaa@evergreen.edu) or **Hannah Anderson** (canopy@evergreen.edu) at 867-6788 or stop by and drop off a resume at **Lab I, 3064**. Alternatively contact Nalini Nadkarni (nadkarnn@evergreen.edu).

**YOU MUST HAVE A WORK-STUDY AWARD AS PART OF YOUR
FINANCIAL AID TO APPLY FOR THIS POSITIONS.**
