

Here's how to [visit our Wiki page](#) and post your own comments and resources:

http://www2.evergreen.edu/wikis/chacha/index.php?title=Main_Page

To logon to a campus computer, use **Login: climatechange**
Password: _____

The screenshot shows a Microsoft Internet Explorer browser window with the title "Log in /Create and Account - chacha". The address bar contains the URL: http://www2.evergreen.edu/wikis/chacha/index.php?title=Special:Userlogin&type=login&returnto=Main_Page. The page header features the "EVERGREEN" logo and a link to "Log in /Create and Account". A navigation sidebar on the left includes links for "Main Page", "Recent changes", and "Help", along with a search box and a "Toolbox" with options for "Upload file" and "Special pages". The main content area is titled "Log in /Create and Account" and contains a "Log in" section with the following text: "Don't have a login? [Create an account.](#) You must have cookies enabled to log in to chacha." Below this text are input fields for "Username:" and "Password:", a checkbox for "Remember me", and two buttons: "Log in" and "E-mail password".

The screenshot shows the "Create account" section of the Evergreen Wiki login page. The page header and navigation sidebar are identical to the previous screenshot. The main content area is titled "Log in /Create and Account" and contains a "Create account" section with the following text: "Already have an account? [Log in.](#)" Below this text are input fields for "Username:", "Password:", "Retype password:", "E-mail *:", and "Real name *:". There is also a checkbox for "Remember me" and a "Create account" button. At the bottom of the form, there are two asterisked notes: "* E-mail (optional): Enables others to contact you through your user or user_talk page without needing to reveal your identity." and "* Real name (optional): if you choose to provide it this will be used for giving you attribution for your work."
